

I am standing as an Independent Candidate for Dingwall and Seaforth Ward. It has been a great privilege to be a Councillor as it is a role that I love.

I have been a Councillor in the Dingwall area for the past 23 years, 10 of them in the combined Ward of Dingwall and Seaforth which includes Maryburgh, Conon Bridge, Muir of Ord and now the new additional area which extends up to Charlestown.

I have always done my level best for everyone in my ward and if elected I will continue to do so.

I would be honoured to receive your vote and I give you my promise that I will always work hard on your behalf.

I am a member of the Puffin Pool Board and Chair of the Highland Football Academy.

Dear Elector,

I was born at Fairburn, Marybank – one of a family of eight. I have lived in Dingwall most of my life where my late husband Tommy and I raised a fine family of nine children and now I am very blessed to have fourteen amazing grandchildren.

I love Dingwall and the Seaforth area with a passion. As a child I lived at Barevan Farm and attended Tarradale School.

I have close connections with Conon Bridge as my father lived there for 35 years. My mother lived in Dingwall before moving to Brahan where she was dux of Maryburgh School. The Charles Fowlie Thompson Memorial Prize is in memory of my Uncle who also attended Maryburgh School and now Ben Wyvis Primary holds this prize. Over the next few weeks I intend to meet as many of you as possible, but please accept my apologies if I don't. If you wish to speak to me please phone me on the above number. If re-elected on the 4th May I promise to serve you all to the best of my ability.

Sincerely yours,

MARGARET PATERSON

I have always worked hard as a Councillor for the good of all people and if elected I will continue to do so.

- **I will fight for a New St Clement's School**
- **I will fight to retain free parking in Dingwall.**
- **House prices are rising faster than incomes**

I am fortunate to have a lovely home which my late husband worked hard to achieve, that was at a time when house prices were sensible, but sometimes no matter how hard people work they find buying a house out of their grasp. I feel strongly that having a home is everybody's right, so I will continue to fight to increase the number of affordable houses in this area.

- **The importance of Childcare Facilities**

As a single parent I understand how difficult life can be and especially having to bring up children on your own.

Child day care facilities are an essential requirement and I will always support this provision whenever possible.

I am fully committed to supporting the Gaelic Language and Culture. I am so delighted that Dingwall Gaelic Choir continues to put Dingwall on the map by always achieving such heights at the Mod. The Junior Gaelic Choir Rionnagan Rois is also winning many awards.

As a lover of all sporting activities I have supported my beloved Ross County, the Leisure Centre, Skateboard Parks, Cycle Tracks, Youth Groups and various Footpaths.

There are a number of important projects that I have thoroughly enjoyed seeing coming to fruition:-

- **Dingwall CARS Scheme**
- **HUB Development in Tarradale**
- **MAC Development in Maryburgh**
- **Replacement bridge in Muir of Ord**
- **Start of Kinnardie Link Road**
- **Re-Development of Cadets Building in Ferry Road, Dingwall**
- **New Urray House Care Home**
- **Glen Wyvis Distillery**
- **Refurbishment of Pefferside Park**
